Some explanation seems due for the titles of the series of articles containing the word 'virgin'. During an illness lasting years, I missed out on many pursuits that would normally have been within my reach.

Since meeting my now significant other who is an adventurous and experienced participant in various fields of activity as well as a caring partner considerate of the level of my capabilities, opportunities are now coming my way for the first time. Hence my accounts that may be of use and encouragement to other initiates and a source of entertainment to those already at home in the various worlds described:

->Exploring E-cigarettes: [Vaping Virgin](#) ->Camping: [Contemporary Camping Virgin](#) ->Visiting the Alps: [Alpine Summer Virgin: Why Book Bourg in Summer](#) ->Radio Controlled model aeroplanes: [RC Virgin](#) ->Radio Controlled model aeroplanes: [Tragedy Strikes: Flying Foam](#) ->Radio Controlled model aeroplanes: [RC Virgin part III: The Seagull - Flying in the Alps](#) ->Canal boating: [Canal Virgin](#)
